**Testimonial for work done.**  
**Westoaks Builders**

I would like to thank Westoaks builders for the work that they carried out repairing my roof. A prompt and efficient visit, a professional and very fair estimate were followed by the employee designated to do the work make a visit prior to commencing the job. He and his colleague then carried out the work in a very thorough manner.

This is a professional company that can be depended on to do a first class job at a fair price and I heartily recommend them.
